- ° French Rally Championship Pilots
- ° French Rally Championship Feminine
- ° French Rally Championship Team
- ° French Rally Championship Copilots
- ° Promotion classification Michelin Trophy
- ° CLIO R3T France Trophy (Mono-brand cup)
- ° 208 RALLY CUP
- ° French Rally Cup (coef 4)
- ° Rally Challenge of the Ligue Régionale du Sport Automobile Occitanie Pyrénées
- ° Rally Challenge of ASA Route d'Argent

1.3P: VERIFICATIONS

°The commitment confirmations and the convocation times for verifications will be specified at the publication of the starting order on Friday June 29th 2018 on the internet site of the rally. **No notification will be sent by mail.**

At the same time of the withdrawal of the road book, the competitor will be informed of the obligations to which he will be submitted

(marking, convocation timings and so on.) and will receive a geolocation kit comprising a box and its accessories (cables, antenna, etc.)

Administrative checks will only happen during the road book withdrawal.

Required documents: Copies of the License, the driving license and the first page of the car homologation form.

The presence of the entire crew is compulsory

The crews must show their driving license and License at the person in charge of the relationship with the competitors at the H-10min control in the entrance of the “parc fermé” before the start of the rallye on Friday 6 of July.

Scrutineering will take place :

On Thursday July 5th from 3pm to 8.30 pm Le foirail Administrative center in Laissac

The crew or his representative will present the security equipments (pilote and co-pilote) in force the rallye's day. The departure of the crew will be refused if these equipments should not be approved.

After scrutineering, the crews will be able to enter the strat parcfermé Av Victor Hugo à Rodez (after the presentation on the podium) from 5pm to 10.30 pm

The possible final checks will be performed at Renault garage, Route d'Espalion in Onet le Château immediately after the arrival and according to the instructions given by the officials.

The maximum hourly rate labour is 60 € all taxes included.

ARTICLE 2P INSURANCES

In accordance with the standard FFSA regulations.

The reconnaissance vehicles, support, forerunners even with special plates or panels issued by the organizer won't in any case be considered as being involved in the 45° Rallye Aveyron Rouergue Occitanie. They won't be covered by liability insurance's organizer and they remain under the responsibility of their owners.

ARTICLE 3P : COMPETITORS AND PILOTS

3.1P: COMMITMENT REQUEST - REGISTRATIONS

3.1.5P: Anyone who want to take part at 45^{ème} RALLYE AVEYRON ROUERGUE OCCITANIE must send the attached entry form, duly completed, to the Rally secretariat: Residence St Eloi Bâtiment D, Avenue de Vabre 12000 RODEZ, by email rallyedurouergue@wanadoo.fr or <http://www.ffsa-inscriptions.org/>

Before :

Monday June 18th 2018 at midnight : Last date of enrolment for priority order in french Championship and/or Promotion/Trophée Michelin and/or Mono-brand cups.

Monday June 25th 2018 at midnight, The stamp of mail authentic.

3.1.6P: The entry form must be accompanied by the entry fee.

The amount of the entry fee and all possible supplements will be received by the organizing ASA at the end of the respective registrations.

The entry form must be accompanied by supporting documents requested.

3.1.10P : The maximum number of entrants is limited to 150 cars .

A waiting list could be created. The entry list will have to be published and received by FFSA before the Friday of the week preceding the week of the rally.

3.1.11P: The entry fees, with eventual publicity of the organizers are:

- 1050€ +50€ for geolocation equipment

- 900€ + 50€ for geolocation equipment for the competitors engaged in Mono-brand cup

- 700€ + 50€ for geolocation equipment, for the graduates of the Ligue Occitanie Pyrénées pilots and copilots (except if they are engaged in French Championship or Trophée Michelin) whose bulletin of commitment will have been transmitted before Monday June 18th at midnight (as attested by date on postmark).

850€ (**geolocation material included**) after this date (except CFR and/or Promotion/Michelin trophy).

The entry fees will be doubled for the competitors who don't accept the optional publicity proposed by the organizers. Pilots can participate at the Rally without any obligation of engagement at the french rally championship or Promotion but can't score.

3.1.12P:

In case of forfait, the organizer will pay off with deduction refund of a variable restraint, the rights of commitment for the competitors who, for reasons of 'force majeure', would not have been able to appear from the rally provided that a request reaches the organizer by registered letter or by e mail rallyedurouergue@wanadoo.fr. The restraint will be 30% for the requests received 8 days a more before the rally, 50% for the requests received until the checks.

Fine to their commitment, the competitors or the crews declare to know the risks inherent to the rallies and assume them.

They besides declares to know and to accept the regulations applicable to this rally.

3.2P : CREWS

3.2.9P : The helmet use is forbidden outside of the special stages. However a tolerance of 500m is accepted before the CH which precedes the departure of an ES and after the point stop. This zone will be bounded by panel of entrance and exit of helmet zone **on the road closed in traffic** indicated on the road book.

3.2 10P : All the competitors as well as the officials will necessarily have during the rally, their valid license for the current year and their driving license or a valid identity document.

Withdrawal of license (medical regulation)

This measure will be applied to every license holder therefore the accident required an intervention of the help and also when the intervention was asked by the doctor of the event or demanded by the licenser himself.

In any case, whatever the nature of wounds, the concerned license holder will immediately have to put back his license to the official or to the doctor who will ask him. The conditions of returns of this license are planned in the article 1.5 of the medical regulation appearing on the general prescriptions of the FFSA.

3.3P: DEPARTURES ORDER

For the first Step, the start will be given in the order of the competitors numbers the smallest leaving in head.

The list of the numbers of the competition will be established by the organizer and to the person appointed by FFSA to be validated.

Will benefit from a priority of positioning in the order of departure:

The pilots registered at CFR and / or Promotion classification

The priority pilots (FIA/FFSA) as well as the pilots classified in the diverse championships, the cups or trophées.

The mono-brand cups will be positioned in priority. The first competitor and last one of the brand cup will

benefit from a gap at least 2 minutes, for the first one with the one in front of him, and for the last one with the one behind him.

The FFSA reserve the right to rule on the qualification of a pilot outside these criteria justifying the reasons .

The other competitors will leave after the various referenced categories, according to the classification, according to the classification of the order established by the standard regulations of the rallies.

For the second step, the order of departures will be the one of the temporary general classification without road penalties at the end of the last special stage run in the 1st step with possibility of reclassification for the priority pilots and those who run in Rallye 2 by the stewards.

For promotion or media reasons, approved by FFSA, the orders of departure for a step can be changed.

ARTICLE 4P :CARS AND EQUIPMENTS

4.1P: AUTHORIZED CARS

- ° Groupe A et FA and WRC (2.0 et 1.6T approved before september 1st of 2016), S 2000 Atmo and S2000 1.6T(RRC), Super 1600
- ° Group R
- ° Group N, FN et N2 série
- ° Groupe GT+
- ° Group F 2000
- ° Group GT de Série,
- ° The mono brand cup cars authorized by FFSA on French rally championship.
- ° **The kit car and WRC are allowed without scoring points**

4.1.3P: TYRES

In accordance with the standard FFSA regulations article 4.2 and articles 4.1.3, 4.1.3.1, 4.1.3.2 of the french rally championship.

4.3P: SERVICE

The only service park for the two steps is located **Place du Foirail à LAISSAC** (26km far from Rodez at the east on N88 road between Rodez and A75) **It will be open on WEDNESDAY July 4th at 2pm and only authorized vehicles with the "assistance" plate will be admitted. It's forbidden to set up in the service park without the authorization of the park's responsible.**

The service cars are not covered by the insurance policy of the rally and are on the only responsibility of their owners.

The area assigned to a competitor in the service park is :

- ° 60 m2 for a car + 40m2 per additional car in case different crews would like to get together.
- ° 60 m2 for a car enrolled in a mono-brand cup.

Any competitor that would like to dispose of an additional area must ask for it during the enrolment. This will be charged at the rate of **8€HT/m2**

You can get more plates "assistance" for motor-home or other cars at the rate of 180€.

Any commercial or promotional operation in the service park is prohibited without prior agreement with the organizer.

4.3.3P : REFFUELING ZONES

The crew s must refuel in the zones appointed

A refueling zone will be organized after the service park in Laissac.

And an other one :

1st step : Refueling zone in Estaing (2 times)

2nd step : Refueling zone in Luc near party hall (only one time a the first leg)

Or at the gas station Total Tenzo 10 av de Toulouse in La Primaube after the regroupment park (only one time at the first leg). The only race car is allowed in the station.

In each refueling zone, the crews must :

- Have near the car an extinguisher for fire A, B and C of 5 kg controlled since less than 2 years.
- Put under each race car a waterproof tarpaulin (3m x 5m minimum) that resists hydrates, with a surface at least equal to that of the car.

In the refueling zone, the only refueling of the car is allowed

Only 2 members of the team and the crew are allowed In the zone. They must have a specific badge and wear clothes adapted for the fire.

An identified vehicle less than 3,5t can transport the fuel in the RZ of Estaing and Luc. Any other car is forbidden.

The engines must be stopped during the refueling.

The car can be pushed outside the zone by the crew or the marshalls without penalties.

The crew must use the equipment in board and pumps without external help.

The cars equipped with a FIA refueling and use station fuel must have an adapter in the car.

Facts judges will control the operations.

4.4 GEOLOCATION

To reinforce the safety of the competitors, all cars must be equipped, during reconnaissances and during the rally, with a geolocation system recognized by the FFSA.

The geolocation kit and the instructions for its installation and restitution will be given during the delivery of the Road Book of delivery of each rally.

A deposit of 300 € will be required for each competitor.

In case of loss or damage to the enclosure or its accessories (cables, antennas, etc. ...), the deposit will be kept partially or entirely after verification by the authorized distributor approved by the FFSA .

The deposit will be returned after the verification of the material by the distributor, up to 3 weeks after the rally

The installation instructions are also available on the internet sites : www.ffsa.org and on the site of each rally counting for the CFR .

Installation and the smooth running of the system must be verified by the approved distributor or by a member of the rally organization team in charge of the organizing team of the geolocation, when the return of the kit (for reconnaissance) and at scrutineering before each rally. Every competitor is responsible for the running of its geolocation system during reconnaissance and during the whole duration of the rally.

Any finding of running will result in the following penalties:

- o 1st offense : warning and called put back in immediate conformity ,
- o 2nd offense : 200 € ,
- o 3rd offense : exclusion from the rally and request of sanction application at the FFSA

4.7P : FIRE EXTINGUISHERS

Installed fire extinguishers conforming to the list N ° 16 will be mandatory unpinned **from the outpout of scrutineering to the outpout of the final park**

In the event of non compliance :

Before the start of the rally : compliance

During the rally : penalty up to exclusion

ARTICLE 5P: CARS IDENTIFICATION AN ADVERTISING

In accordance with the standard FFSA regulations.

5.1P : CARS IDENTIFICATION

For every rally, the surface of registration the front plate of the car (520 mm x 110mm) at his original position, is exclusively reserved for the organizer who uses this space to put promotional identification. In any case, it can't be bought or used by the competitors.

For that, each car must be equipped with a support.at the front (in the space provided on the production model)

The surface must be at least the same as the registration plate (520mm x 110 mm) permitting according the positioning of the promotional identification.

Any absence of this plate will result in penalties according to the Article 5 of the standard regulation of the rallies.

The competitors whose technical specificities appearing on the index form of ratification of their car, would not allow them to respect capacities above, will be authorized to affix the advertising on the front face of the car, in a visible way. In this case, the space should have been approved by the steward in charge of the advertising or by the technical responsible steward

5.2P:The compulsory advertising will be: IGOL, the other compulsory advertising will be specified by additive during the delivery of the road book.

The competitors can't refused this compulsory advertising

5.2.3P: The repurchasable advertising of the organizers will appear on two banners of 10 cm X 25 cm to be affixed of every side of the top of the windscreen.

5.3P :Any demonstration of promotion and/or VIP operation using the image and the name of Rallye Aveyron Rouergue Occitanie will necessarily have to obtain the written agreement of the organization comitte, except for exposing itself to a legal appeal.

ARTICLE 6 : SITES AND INFRASTRUCTURE

6.1P: The 45th Rallye Aveyron Rouergue Occitan represents a route of 653.17km with 12 special stages, of a total length of 209.26 km. It is divided into 2 STEPS and 6 SECTIONS

Step 1 : 354.71km with 112.38km Special stage (3 SSx2 time)

Step 2 : 298.46km with 96.88km Special stage (2 SSX2 time and 2 SSX 1 time)

1st STEP : RODEZ – RODEZ : FRIDAY JULY 6th

ES1 : St Julien de Rodelle-Sébrazac 9.09km

ES2 : Campouriez-Le Nayrac 34,25km

ES3 : Laissac-Séverac l'église 12.85km

ES4 : St Julien de Rodelle-Sébrazac 9.09km:

ES5 : Campouriez-Le Nayrac 34,25km

ES6 : Laissac-Séverac l'église 12.85km

2nd STEP: RODEZ – RODEZ : SATURDAY JULY 7th

ES 7 : Trémouilles-Salmiech 11.78km

ES 8 : Ste Juliette-Calmont 10.34 km

ES 9 : Luc-Moyrazès 31,50 km

ES 10 : Ste Juliette-Calmont 10.34 km

ES 11 : Luc-Moyrazès 31,50 km

ES 12 : Rodez-Musée Soulages

6.2P: RECONNAISSANCES

The presence of any license holder on a special stage, in any way, is considered as a reconnaissance. If one of them has to go in the zone of a rally whatever moment it is, he has to warn beforehand his organizer of it, unless the person is considered for living in this zone he. The reconnaissances will be limited **to two passages** for each special stage. The pilots will choose one of the two sessions of reconnaissances proposed by the organizer. **It's allowed to mix week end and days of the week.**

On Saturday June 30th and Sunday July 1st

On Wednesday July 4th and Thursday July 5th

The competitors will have to define their reconnaissances timetable from their registration in the rally.

The FFSA can carry out controls of reconnaissances in a unsuspected way.

Returning backwards on the route of special stages is prohibited.

Refusal to submit to a control is considered as a breach of reconnaissances rules

Any violation of the rules will be penalized as provided for in section 6.2.7 .standard regulation rally.

Stickers numbered Ids must be attached to the outside at the top outer of the windscreen (not inside the visor folding sun), on the rear window and on the side rear windows :

The amount of the fines is kept by the organizer. These penalties will be imposed by the Stewards

THE INDIVIDUAL RECONNAISSANCES ARE PROHIBITED EXCEPT AT THE TIME AS DEFINED ACCORDING THE BOARD BELLOW.

PLANNING OF RECONNAISSANCES

SATURDAY JUNE 30th from 9am to 7pm and SUNDAY JULY 1st from 7am to 12am

or

WEDNESDAY JULY 4th from 9am to 7pm and THURSDAY JULY 5th from 7am to 12am

Reconnaissances of SS 12 Rodez-Musée Soulages must be done on foot.

In order to protect fragile aisles, to avoid that the last competitors are disadvantages discovering a degraded road reducing their speed, the organization reserves the right to protect ropes with pickets, separators, bales of straw, and others .

The deliberate damage of these protections, even by the forerunners, can pull penalties.

ARTICLE 7P :RUNNING OF THE RALLY

7.1P: START

In accordance with the standard FFSA regulation.

Technically checked cars will be in parcfermé on Tuesday July 5th from 5pm,

The organizers plan the meeting of all racing cars in the park situated Victor Hugo avenue in Rodez in the following conditions:

The control of entrance of park will necessarily be closed at 11pm.

A presentation of the pilots will take place on the Podium located Salle des fêtes in Rodez before their entry in parc fermé on Thursday from 5pm to 10.30pm.

The cars can be submitted by a person authorized by the competitor.

7.1.9P :FORERUNNERS

Forerunners are accepted for pilots engaged to the French Championship.

Only production vehicles will be allowed (tyres and maximum level of equipment comply with Articles 6.2.2 and 6.2.3 of the Standard Regulations Rally) .

These crew will engage their forerunner's car with the organizer by filling a specific entry form where they will mention the type, model and registration number of the vehicle and the names of the people who will be on board.

These informations must be provided at the latest during the administrative verification at the withdrawal of documents.

Only two persons are allowed on board of these vehicles. The driver and passenger of these forerunner's car must be licensed by the FFSA and must be in possession of an identity card that must be presented further to any demand of an official.

The vehicles used by the forerunners will be identified and will put 4 stickers with the number of the racing car for which they preside on the windscreen before upper right, on the rear window at the top with center and on 2 back side windows forward, as well as a panel 50x70 (the same as the panel of the car doors), affixed in a visible way on the hood before and also carrying the number of the racing car for which they preside, the whole supplied by the organizer.

This identification will lead to a right of 160€ collected by the organizer.

In case of absence of this identification, the access to special stage will be refused

The forerunners are placed under the authority of the clerk of the course.

The competitor is responsible for his forerunners

Fines or penalties may be imposed by stewards. Any recurrence on the same rally warrant exclusion

Passage in the Special Stages is possible until 1h40 before the passage of the first competitor of the rally in every Special Stage,

These cars are not insured by the organizer(article 2 standard rally regulations).

7.2.P: GENERALPROVISIONS RELATING TO INSPECTIONS

The distinguishing signs of marshals will include.

Red chasuble	Clerk of the course	Orange chasuble barred : Chef de Poste
White chasuble	Doctor	Orange chasuble : Marshal
Red shirt	Steward relations officer	Yellow chasuble: Marshal Inter Radio
Black chasuble :	Technical marshal	Green chasuble : Press

7.3.5P: HOUR CONTROL

The 2 members of the crew and their car must be in the control zone for the pointage of the logbook. The pointage can be made **with the crew into the car.**

7.3.17P :NEW DEPARTURE AFTER ABANDONING/ RALLY 2

Any competitor having abandoned or being pulled out of the race for a delay greater than the maximum authorized delay between two Hour Controls, at the end of a section or at the end of a leg, can reintegrate the rally at the start of the next leg provided that:

- The competitor has informed the Competitor Relations Officer by means of a written document* (* with the document include in the road book) about his decision to reintegrate the rally as soon as possible, later before the start of the Assembly of Stewards preceding the start of the next step.
- The competitor has successfully submitted his car to the scrutineering, at least 30 minutes before the start of the first car in the next leg.

* The written document must arrived to the stewards at least before their meetings.

For the leg in which the competitor has abandoned or has been pulled out of the race the time assigned will be :

For each Special Stage not ran, or finished, the longest time in addition of 5 minutes

Four the step not finished a penalty of 3 hours

They cannot claim any price or assignment of points, except for the start bonus points

The competitors in Rallye 2 will be repositioned after the last car of their category (group and class) and in the order of their race number by the stewards.

The stewards can modified this method for priority FIA and FFSA pilots and for other competitors in reference of their performance during the step.

The Assembly of Stewards can at any moment withdraw the benefit of this reintegration as this decision is not subjected to an appeal
